Diana Krall, I Miss You So

Those happy hours I spent with you That lovely afterglow Most of all, I miss you so

Your sweet caresses, each rendezvous You voice so soft and low Most of all, I miss you so

You once filled my heart with No regrets, no fears Now you'll find my heart Filled to the top with tears

I'll always love you and ant you, too How much you'll never know Most of all, I miss you so
