

Diana Krall, I Was Doing All Right

I was doing all right

Nothing but rainbows in my skies

I was doing all right

Till you came by.

Had no cause to complain

Life was as sweet as cherry pie

Never minded the rain

Until you came by.

Now whenever you're away

Can't sleep at nights and I suffer all the day

I just sit and wonder

If love isn't one big blunder.

But when you hold me tight

Tingling all through, I feel somehow

I was doing all right

But I'm doing much better now.
