

# Diana Krall, Straighten Up And Fly Right

Buzzard took a monkey for a ride in the air  
Monkey thought that everything on the square  
Buzzard tried to throw the monkey off of his back  
But the monkey turned around and said, "Hey listen Jack!"

Straighten up and fly right  
Straighten up and stay right  
Straighten up and fly right  
Cool down bubba don't you blow your top

Ain't no use in jiving  
What's the use of diving  
Straighten up and fly right  
Cool down bubba don't you blow your top

Well the buzzard told the monkey you are choking me  
Release your hold and I will set you free  
Monkey looked the buzzard dead in the eye and said  
"Your story is so touching, but it sounds just like a lie!"

So straighten up and fly right  
Straighten up and stay right  
Straighten up and fly right  
Cool down bubba don't you blow your top
