

# Diana Krall, The Best Thing For You

I only want what's the best thing for you  
And the best thing for you would be me  
I've been convinced

After thinking it through that the best thing for you would be me

Everyday to myself I'd say point the way  
What would it be?  
I ask myself what's the best thing you  
And myself and I seem to agree  
That the best thing for you would be me
