

# Diana Krall, When I Grow Too Old To Dream

When I grow too old to dream, I will have you to remember.  
When I grow too old to dream, your love will live in my heart.  
So kiss me my sweet, and so let us part.  
When I grow too old to dream, your love will live in my heart.

When I grow, when I grow too old to dream, I will have you to remember.  
When I grow, when I grow too old to dream  
Your love will live, will live in my heart.  
So kiss me, my sweet, and so let us part.  
When I grow, when I grow too old  
sh-do-ya-do-ya-do-ya to dream! Your love will live in my heart.

So kiss me my sweet! And so let us part  
When I grow too old to dream, your love will live in my heart
