

Diana Krall, You're Getting To Be A Habit With Me

Every kiss, every hug seems to
Act just like a drug
You're getting to be a habit with me

Let me stay in your arms,
I'm addicted to your charms
You're getting to be a habit with me

I used to think your love
Was something
That I could take or leave alone
But now I just can't do without
Me supply, I need you for my own

No I can't break away
I must have you every day
As regularly as coffee or tea
You've got me in your clutches
And I can't break free
You're getting to be a habit
With me-can't break it
You're getting to be a habit with me
