Diana Ross, All Time High

All I wanted was a sweet distraction for an hour or two

Had no intention to do the things we've done. Funny how it always goes with love when you dong look you find But then we're two of a kind we move as one.

We're an all time high we?l change all that's gone before. Doing so much more than falling in love. On an all time high well take on the world and wait. So hold on tight let the flight begin. I donT want to waste a waking moment I don't want to sleep. I'm in so strong and so deep and so are you.
In my time I've said these words before but now I realize My heart was telling me lies for you they're true. We're an all time high we'll change all that's gone before. . . . So hold on tight let the flight begin. We're an all time high.
