

Diana Ross, Back In My Arms Again

All day long I hear my telephone ring
Friends calling giving their advice
From the boy I love
I should break away
cause heartaches hell bring one day

I lost him once through friends advice
But its not gonna happen twice
cause all advice evers gotten me
Was many long and sleepless nights

Ooh! but now
Hes back in my arms again
Right by my side
I got him back in my arms again
So satisfied

Its easy for friends to say
Let him go
But Im the one
Who needs him so
Its his love that makes me strong
Without him I cant go on
This time Ill live my life at ease
Being happy lovin whom I please
And each time we make romance
Ill be thankfull for a second chance

Ooh! cause
Hes back in my arms again
Right by my side
I got him back in my arms again
So satisfied

How can mary tell me what to do
When she lost her love so true?
And flo, she dont know
cause the boy she loves is a romeo
I listened once to my friends advice
But its not gonna happen twice
cause all advice evers gotten me
Was many long and sleepless nights

Ooh! I got him
Back in my arms again
Right by my side
I got him back in my arms again
So satisfied

Ooh! Im satisfied yeah
So satisfied
