Diana Ross, Back In My Arms Again

All day long I hear my telephone ring Friends calling giving their advice From the boy I love I should break away cause heartaches hell bring one day

I lost him once through friends advice But its not gonna happen twice cause all advice evers gotten me Was many long and sleepless nights

Ooh! but now
Hes back in my arms again
Right by my side
I got him back in my arms again
So satisfied

Its easy for friends to say
Let him go
But Im the one
Who needs him so
Its his love that makes me strong
Without him I cant go on
This time III life my life at ease
Being happy lovin whom I please
And each time we make romance
III be thankfull for a second chance

Ooh! cause Hes back in my arms again Right by my side I got him back in my arms again So satisfied

How can mary tell me what to do When she lost her love so true? And flo, she dont know cause the boy she loves is a romeo I listened once to my friends advice But its not gonna happen twice cause all advice evers gotten me Was many long and sleepless nights

Ooh! I got him
