Diana Ross, Believe In Yourself (Dorothy)

(Charlie Smalls)

If you believe Within your heart you'll know That no one can change The path that you must go

Believe what you feel And know you're right, because The time will come around When you say it's yours

Believe there's a reason to be Believe you can make time stand still You know from the moment you try If you believe I know you will

Believe in yourself, right from the start You'll have brains You'll have a heart You'll have courage To last your whole life through

If you believe in yourself If you believe in yourself If you believe in yourself As I believe in you
