

# Diana Ross, Let It Snow! Let It Snow! Let It Snow

Oh! the weather outside is frightful  
But the fire is so delightful  
Since we've no place to go Let it snow, let it snow, let it snow

It doesn't show signs of stoppin'  
And I brought some corn for poppin'  
The lights are turned way down low  
Let it snow, let it snow, let it snow

When we finally kiss goodnight  
Oh I hate to go out in the storm  
But if you'll really hold me tight  
All the way home I'll be warm

The fire is slowly dying  
And my dear, we're still goodbyeing  
As long as you love me so  
Let it snow, let it snow, let it snow

When we finally kiss goodnight  
Oh I hate to go out in the storm  
But if you'll really hold me tight  
All the way home I'll be warm

The fire is slowly dying  
And my dear, we're still goodbyeing  
As long as you love me so

Let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow
