Diana Ross, No More

(Toots Camarata / Bob Russell)

You ain't gonna bother me no more Nohow Love just goes so far No more Woke up this morining and found I didn't care for you no more Nohow

Never felt so good before You're down to my size It's over and done So honey, step down from your throne That look in your eyes Don't bother me none Can take or leave you alone From my window Skys ain't grey nomore Not now

Here's the day
That I've been waiting for
Got only one heart
One heart with no spares
Must save it for loving
Somebody who cares
So you ain't gonna bother me
No more, no more
