

Diana Ross, Reflections

Through the mirror of my mind
Time after time
I see reflections of you and me

Reflections of
The way life used to be
Reflections of
The love you took from me

Oh I'm all alone now
No love to shield me
Trapped in a world
That's a distorted reality

Happiness you took from me
And left me alone
With only memories
Through the mirror of my mind
Through these tears that I've cried
Reflects the hurt I can't control

Cause although you're gone
I keep holding on
To the happy time
Ooh, when you were mine

As I peer through window of lost time
Looking over my yesterday
And the love I gave all in vain

(All the love) All the love that I've wasted
(All the tears) All the tears that I've tasted
All in vain

Through the hollow of my tears
I see a dream that's lost
From the hurt
That you have caused
Everywhere I turn
It's like everything I see
Reflects the love that used to be

In you I put all my faith and trust
Right before my eyes
My world had turned to dust

After all the nights I sat alone and wept
Just a handful of promises are all that's left of loving you

Reflections of the way life used to be
Reflections of the love you took from me

In you I put all my faith and trust
Right before my eyes
My world has turned to dust
