Diana Ross, The Boss (David Morales Remix)

Fancy me
Thought I had my degree
In life and how love
Ought to be a run

I had a one step plan to prove it
Guide in my pocket for fools
Folly and fun
Love had to show me one thing

I was so right
So right
Thought I could turn emotion
On and off
I was so sure
So sure (I was so sure)
But love taught me
Who was who was who was the boss
(taught me who was who was the boss)

I'd defy
Anyone who claimed that i
Didn't control whatever moved in my soul
I could tempt
Touch delight
Just because you fell for me
Why should I feel uptight

Love had to show me one thing:

I was so right
So right
Thought I could turn emotion
On and off
I was so sure
So sure (I was so sure)
But love taught me
Who was who was who was the boss
(taught me who was who was the boss)

Love taught me
Taught me
Taught me
Taught me

I was so right
So right
Thought I could turn emotion
On and off
I was so sure
So sure (I was so sure)
But love taught me
Who was who was who was the boss
(taught me who was who was the boss)
