

# Diana Ross, The Feeling That We Get

Put your arms around me child  
Like when you bumped your shin  
Then you'll know I love you now  
As I loved you then

Though you maybe trying sometimes  
And I'll need you  
And you're not there  
You know I may get mad  
And turn away  
But you know that I still care

But you cannot ask for more  
Than can come from me  
I am older than you are  
And one day you'll see

If I lose my patience with you  
And I suddenly start to scream  
It's only because I just want you to be  
Everything that I see in my dreams

And I'd like to know it's there  
The feeling that we have  
When you know that you can come  
Running to me  
Whenever times are bad

Don't lose the feeling that we have  
Don't lose the feeling that we have

Though you are growing older now  
And I'm watching you grow  
I know I make you sad sometimes  
And I see your feeling show

But one day I'll look around  
And you will be grown  
You'll be out in the world  
Such a pretty girl  
You'll be on your own

And I'd like to know it's there  
The feeling that we have  
Knowing that you can come to me  
Whenever you are sad

And I'd like to know it's there  
The feeling that we have  
Don't lose the feeling that we have  
Don't lose the feeling that we have  
Don't lose the feeling that we have
