

Diana Ross & The Supremes, Surrender Your Love

Swept Away
Diana Ross
(D. Hall/S. Allen)
I was lying there
Lying on the beach
I dreamed you were there
Feel the heat
The sun and the waves
When you touch my hand
We were on a desert island
I had a dream
I was swept away
You and I are on an island
Where I thought the storm would never end
I saw your light on the horizon
And I knew that I was blown away again
No it doesn't matter
Yeah, it doesn't matter
'Cause nothing lasts forever
'Cause nothing lasts forever
No it doesn't matter
No it doesn't matter
'Cause nothing lasts forever
Nothing lasts forever
I was swept away
I was swept away
I was swept away with you
I was swept away
I was swept away
I was swept away with you
The rise and fall is endless
The risk you run of being lost in blue
You caught my drift while I was restless
When the current flows
I'm gonna go with you
No it doesn't matter
Yeah, it doesn't matter
'Cause nothing lasts forever
Nothing lasts forever
No it doesn't matter
No it doesn't matter
'Cause nothing lasts forever
Nothing lasts forever
I was swept away
I was swept away
I was swept away with you
I was swept away
I was swept away
I was swept away with you
For a day
Or maybe for a lifetime
Break away
Is he throwing me a lifeline
As I say
That this will be the last time
Swept away
Will it end with you?
I was swept away
Swept away
Swept away
No it won't, no it won't
No it doesn't matter
Nothing lasts forever
