

# Diana Ross, What The World Needs Now

What the world needs now is love, sweet love  
Its the only thing that theres just too little of  
What the world needs now is love, sweet love  
No not just for some but for everyone

Lord we dont need another mountain  
There are mountains and hillsides  
Enough to climb  
There are oceans and rivers  
Enough to cross. enough to last  
till the end of time

What the world needs now is love, sweet love  
Its the only thing that theres just too little of  
What the world needs now is love, sweet love  
No not just for some but for everyone

Lord we dont need another meadow  
There are corn fields and wheat fields  
Enough to grow  
There are sun beams and moon beams  
Enough to shine  
Oh listen lord if you want to know

What the world needs now is love, sweet love  
Its the only thing that theres just too little of  
What the world needs now is love, sweet love  
No not just for some but for everyone

What the world needs now is love, sweet love  
What the world needs now is love, sweet love  
What the world needs now is love, sweet love  
What the world needs now
