

# Diana Ross, What You Gave Me

(Nickolas Ashford/Valerie Simpson)

You've given me so much warmth  
I don't see how I could ever grow cold  
In my mind there's a picture of you and I  
That nobody has the price to buy

I don't know what made you change your mind  
But you'll be back  
It's just a matter of time

'Cause what you gave me is more than enough to last  
Ooh, baby  
What you gave me is more than enough to last

Yeah, into my life you came  
Like a breath of spring  
Giving me a song to sing  
Though I know you're leaving  
But I won't be grieving

'Cause time has a way of showing us  
The things that we really need  
And no matter where you go  
I know you'll find your way back home  
'Cause though I know it's not reality  
You'll always be a part of me

'Cause what you gave me is more than enough to last  
What you gave me is more than enough to last  
What you gave me  
What you gave me is more than enough to last

Yes, yes it's more  
It's more than enough to last  
Yes, yes it's more  
It's more than enough to last

What you gave me is more than enough to last  
What you gave me is more than enough to last  
What you gave me is more than enough to last  
What you gave me is more than enough to last
