## Dickey Lee, I've Just Seen A Face

I've just seen a face I can't forget the time or place that we'd just met She's just the girl for me and I want all the world to see we'd met uh uh uh uh uh Had it been another day I might have looked the other way I had never been aware And as it is I dream of her tonight na na na na na Falling yes I'm falling and she keeps calling me back again Falling yes I'm falling and she keeps calling me back again [ guitar ] Had it been another day I might have looked the other way I had never been aware And as it is I dream of her tonight na na na na na I have never known the likes of this I've been alone And I have missed things and kept out of sight But other girls were never quite like this Ia Ia Ia Ia Ia Ia Falling yes I'm falling...
