## Dickey Lee, She Thinks I Still Care

(She thinks I still care)

Just because I asked a friend about her just because I spoke her name somewhere Just because I rang her number by mistake today she thinks I still care Just because I haunt the same old places Where the mem'ry of her lingers everywhere

Just because I'm not the happy guy I used to be she thinks I still care Well if she's happy thinking I still need her then let that silly notion bring her cheer But how could she ever be so foolish where would she get such an idea Just because I asked a friend about her just because I spoke her name somewhere Just bacause I saw her then went all to pieces she thinks I still care She thinks I still care
