

Dickey Lee, Teen Angel

Teen angel teen angel teen angel uh-huh
That fateful night the car was stalled upon the railroad track
I pulled you out and we were safe but you went running back
Teen Angel can you hear me teen angel can you see me
Are you somewhere up above and am I still your own true love

What was it you were looking for that took your life that night
They said they found my high school ring clutched in your fingers tight
Teen angel can you hear me...

Just sweet sixteen and now you're gone they've taken you away
I'll never kiss your lips again they buried you today
Teen angel can you hear me...
Teen angel teen angel answer me please
