

Dickies, Eep Opp Ork (Uh, Uh)

well i took my baby for a ride in space
we met a little man with a funny funny face
he taught us how to wail this way
and nobody digs a word that we say

eep opp ork uhh uhh eep opp ork uhh uhh
eep opp ork uhh uhh that means i love you

now i read my baby loud and clear
she just said i love you dear
now im acting by the way i fell
i just said "i love you too"

come on and fly with me
ay up up high with me
come on and fly with me
eep opp ork uhh uhh that means i love you

that crazy word that crazy world that word you heard
eep opp ork means i love you

climb on board baby and i'll put you in orbit
