

# Dickies, Give It Back

(phillips, lee, huffsteter)

One day I was walking to school  
I saw these bullies and  
They thought they were cool  
They put me down and they pushed me around  
They stole my books and they called me a clown

Give it back  
Baaaaccckk  
Give it back  
You better give it back

I went to school  
Yeah I went anyway  
I said I'd show them another day

I showed them all what I could do  
I got us thrown right out of school

I got em back  
Baaack  
Yeah I got em back  
You know I got em back  
Ba ba ba back

(break)

That night I was walking home  
And when they caught me I was all alone  
A bloody nose and a broken bone  
I thought those brats were going to leave me alone
