

Dickies, House Of Raoul

Wake me up in the morning 'cause
We're going to the House of Raoul
I'm giving you a warning
Tell me, are you a man or a mouse?

House of Raoul, House of Raoul
I was cookin' cabbage in the House of Raoul
Gonna get evicted from the House of Raoul

Tell me when we're leavin' 'cause
We're rocking at the House of Blue Lights
While the train is leavin'
I'm drinkin' beer and watching the fights

House of Raoul, House of Raoul
I was cookin' cabbage in the House of Raoul
Won't you please evict me from the House of Raoul?
