

Dickies, Song Of The Dawn

Wake from your sleep all you weary ones
Who are leery of the night
Look to the east all you dreary ones
Who are waiting for the light

Dawn is breaking and a new day is born
The world is singing the song of the dawn
Birds are singing
Hear them welcome the morn
They're sweetly singing the song of the dawn

Yesterday the sky was grey
Look this morning they're blue
The smiling sun tells everyone
Come and start life anew

Sing hallelujah
For the dark night is gone
The world is singing the song of the dawn
Sing hallelujah
For the dark night is gone
The world is singing the song of the dawn
