

Dido, Don't Leave Home

Like a ghost don't need a key
Your best friend I've come to be
Please don't think of getting up for me
You don't even need to speak
When I've been here for just one day
You'll already miss me if I go away
So close the blinds and shut the door
You won't need other friends anymore

Oh don't leave home, oh don't leave home

If you're cold I'll keep you warm
If you're low just hold on
Cause I will be your safety
Oh don't leave home

I arrived when you were weak
I'll make you weaker, like a child
Now all your love you give to me

When your heart is all I need

Oh don't leave home, oh don't leave home

If you're cold I'll keep you warm
If you're low just hold on
Cause I will be your safety
Oh don't leave home

Oh how quiet, quiet the world can be
When it's just you and little me
Everything is clear and everything is new
So you won't be leaving will you

Oh don't leave home, oh don't leave home

If you're cold I'll keep you warm
If you're low just hold on
Cause I will be your safety
Oh don't leave home
