

# Dido, Don't Leave Home

Like a ghost don't need a key  
Your best friend I've come to be  
Please don't think of getting up for me  
You don't even need to speak  
When I've been here for just one day  
You'll already miss me if I go away  
So close the blinds and shut the door  
You won't need other friends anymore

Oh don't leave home, oh don't leave home

If you're cold I'll keep you warm  
If you're low just hold on  
Cause I will be your safety  
Oh don't leave home

I arrived when you were weak  
I'll make you weaker, like a child  
Now all your love you give to me

When your heart is all I need

Oh don't leave home, oh don't leave home

If you're cold I'll keep you warm  
If you're low just hold on  
Cause I will be your safety  
Oh don't leave home

Oh how quiet, quiet the world can be  
When it's just you and little me  
Everything is clear and everything is new  
So you won't be leaving will you

Oh don't leave home, oh don't leave home

If you're cold I'll keep you warm  
If you're low just hold on  
Cause I will be your safety  
Oh don't leave home
