Dido, End of Night

Only now it's gone I can see the year See it for what it was And start another day

All the liberty you took
The love that you abused
The friends that you turned
Against me if you could

And you're twisting what I say All that saying you were scared It doesn't matter anymore Cause I'm not there

You were careless when the beat kicked in And careless when it left And careless all the way I didn't see it till the end

I feel nothing
When you cry
I hear nothing
See no need to reply
I can smile now
And turn away
Come over here
So you can see me walk away
And celebrate
The end of night /4x

It only takes one lie
To bring this house down
Behind closed doors
No one tells the first time round

Pain is worse when You bring it on yourself The sweetest bully building A love that couldn't last

You were ugly when the beat kicked in And ugly when it left And ugly all the way, I didn't see it till the end

I feel nothing
When you cry
I hear nothing
See no need to reply
I can smile now
And turn away
Come over here
So you can see me walk away
And celebrate
The end of night /8x

After the fall comes love I hate to hate and I love to love /2x

I feel nothing When you cry I hear nothing See no need to reply I can smile now
And turn away
Come over here
So you can see me walk away
And celebrate
The end of night /8x
