

# Die Happy, Perfect

Sometimes the answer  
To all of my questions  
Are too much for me to hear  
Truth can be painful  
And hard to prepare for  
I'm glad I've got you near  
If I had a heart of stone  
I could turn the other cheek  
But that's not me, no  
I soak it up I take it in  
Try to deal with everything I feel

Refrain:  
THE UGLINESS IN THIS BIG WORLD  
BRINGS ME DOWN AND MAKES ME SAD  
YOU ARE PERFECT  
YOU'RE THE ONE WHO MAKES ME SEE  
THAT EVERYTHING'S MUCH BETTER  
THAN IT SEEMS TO BE  
YOU ARE PERFECT

You were the answer  
To all of my questions  
About a million times  
[Yes you are!]

You make all the difference  
You lead the way and point out all the lies  
You open up, you open up my eyes

(Refrain)  
WHERE WOULD I BE WITHOUT YOU  
YOU MAKE ME PERFECT

When I'm a mess  
When I need someone to run to  
You are there right next to me

(Refrain)
