

# Die Krupps, Laerm Macht Spass

Schlagt and die Tueren  
alle soll'n uns hoeren  
schon bald gibt es den grossen Knall  
uns macht's Spass,  
die andern kommen zu Fall.

Laerm macht Spass.

English translate: Noise Is Fun

Beat on the portals  
everyone should hear us  
soon there will be a great big crash  
it's fun for us,  
the others are bound to smash.

Noise is fun.
