

# Die Krupps, Lcd

I don't oppose  
I don't confront  
go with the flow  
hard to control  
I do conform  
I follow the norm  
swim with the mainstream  
I'm not what I might seem

I can't be identified  
Mr. Faceless personified  
without reflection  
there's no detection

This is my strategy  
I use the LCD  
you can call me an infiltrator  
I'm the Lowest Common Denominator

I won't protest  
I won't disapprove  
the faceless crowd  
covers my moves  
I don't offend  
seem easy to bend  
don't have a profile  
no godgiven style.
