

# Die Mannequin, Lonely Of A Woman

(Verse One)

Heart Ache When She Was With Me  
But Love Fades You Because Of Me  
Eyes Roll Cause She's Begging and Beat  
I Hate You Because Of Me.

(Pre-Chorus-Chorus)

Lonely Of A Woman  
That Holds Me To The Villian  
Lonely Of A Woman  
Lonely Of A Woman

(Verse Two)

Dead Dance For My Murdering Queen  
Your last breathe cause You're killing me  
A Gun Shot To The Back Of The Beat  
Another Fever I Don't Need Her To Bleed.

(Pre Chorus)

It's a long LIE LIVING THE DREAM  
SHOOT The Sickness  
Shake The DISEASE  
Lives Alone But She Dies With Me  
She's Alone But She Dies With Me

(First Chorus)

Lonely Of A Woman  
That Holds Me To The Villian  
Lonely Of A Woman  
That Knows What It Is When It's Me  
Only Of A Woman  
Hold Me Like You Shouldn't  
Lonely Of A Woman  
That Knows What It Is When It's Me

(Knows What It Is When It's Me)

(Verse Three)

I Hate You Because Of Me  
But Love fails You Because Of It  
I Still Need My Recovery  
I, I Prey For A Believer In Me

(Pre-Chorus)

(The Same Pre-Chorus As Above)

(Second Chorus)

(The Same Chorus As Above)

Hey Hey (repeat)

(Bridge)

Hold My Own, yea  
Knows What It Is When It's Me  
Heart And Whole Yeah

(Third Chorus)

Lonely Of A Woman  
That Holds Me To The Villian  
Lonely Of A Woman  
That Knows What It Is When It's Me  
Knows What It Is When It'S Me And  
Knows What It Is When It'S Bleeding Me
