

# Die Monster Die, Slumber

Where is your... Where is your master?  
I can't fly... Fly any faster...  
I cannot fly any faster

In my internal world;  
Can't even look in your eyes  
Sometimes I dream I've travelled very far  
Someplace no man has ever been before  
I'm free - free as the sky is open wide -  
Yellow, red I see -  
Someone next to me said:  
"Where is your master?"  
I can't fly... Why?  
I cannot fly any faster...

Why can't I turn around,  
Look inside,  
Slumberless I sucked inside my mind  
So far sucked in  
Now slumberless
