

# Die Toten Hosen, We Will Be Heroes

The sun comes up  
On a brand new day  
A curtain call for the beautiful game  
That we're gonna play

Here in the land  
Of the rising sun  
There'll be the best of the rest  
But there's only one number one

We will be heroes  
And we're gonna win  
No matter what you do  
We're never ever giving in

And if the end  
Justifies the means  
For every winner there's a broken loser  
On the field of dreams

'Cause the sweet, sweet smell of victory  
Is a long, long way from the bitter taste of defeat

We will be heroes  
And we're gonna win  
No matter what you do  
We're never ever giving in

We will be heroes  
Stop us if you can  
Win or lose it's a blow  
For the course of the common fan

And in the end  
There's little choice in what we do  
We all follow our hearts  
It's the same for me and you (me and you, me and you)

'Cause the sweet, sweet smell of victory  
Is a long, long way  
From the bitter taste of defeat

We will be heroes  
And we gonna win  
No matter what you do  
We're never ever giving in

We will be heroes  
Stop us if you can  
Win or lose it's a blow  
For the course of the common fan

We will be heroes  
And we're gonna win  
You can do what you like  
But we're never ever giving in
