

# Diecast, Nothing I Could Say

(Intro)

You're gone

(Verse I)

Such a fool

To think that I could go though life alone

A difficult rest decision

I refuse to see

How I needed your help to complete

And reinforce my existence

(Chorus:)

What's left to say?

Except for you're the reason

The reason for me beating

You gave me strength

The strength to be something

To be something better

(Verse II)

For searching for another way

To steal a second chance

I pray for absolution (absolution)

Now I know that I'm

Missing your comicality

You're the one that listens (one that listens)

(Chorus:)

What's left to say?

Except for you're the reason

The reason for me beating (for me beating)

You gave me strength

The strength to be something

To be something better

(2nd Chorus:)

What's (What's) left to say

Except for you're the reason

Except for you're the reason

You're gone

(Bridge)

Oh, oh, oh, oh, oh

Nothing I could say

To bring you back tomorrow (Nothing I could say)

Oh, oh, oh, oh, oh

Nothing I could say

To dissipate my sorrow

All I had to

Do was let you

Know

(Chorus:)

What's left to say?

Except for you're the reason

The reason for me beating (for me beating)

You gave me strength  
The strength to be something  
To be something better

To be something better  
To be something better (What's left to say?)

To be something better  
To be something better (What's left to say?)

To be something better  
To be something better (What's left to say?)

You make me feel  
Something better
