

Diesel Boy, Fooligan

You don't want to talk about it
Cuz you know that there's nothing to say

Your policies are fucked so we're going away
We say that its wrong , wrong, wrong
You say that its alright
You won't have to look at us after tonight

Take your nightclub and shove it up your ass
I don't want your discount pass

Uptight
Closed mind
So naive
Hooligan
Fooled again
No self esteem
We don't want to play here
Cuz the owner is a real big jerk
That's not a smile on my face, asshole
Its a smirk
We don't want your hostile attitude
Cuz to you we've got nothing to prove
So we dedicate the second verse to you
So to your cafe and your employees too
We dedicate a big fuck you
This final one's
for you old boy
You're still a loser in the end
Why don't you go hang out with your friends?
And might find that there's much to be learned
You've been playing with fire now
Its time to get burned
So take your attitude and your mentality
And get the fuck away from me
