

Diesel Boy, Melanie Banks Where Can You Be?

Melanie Banks where can you be?
I haven't seen you since our graduation day
And the years keep floating by
Are you doing well? Is everything alright?
Remember our crazy night
After senior prom
We were naked in your pool
And we got busted by your mom
Melanie
Where can you be?
Its been so long
I wonder if you ever think about me
Melanie Banks how have you been?
Someone told me you're living in New York again
I called your mother's house today
But the message said that she had moved away
I still laugh about the time
You passed out in your car
With Mother's Milk on ten
And your headlights on
Just 8 words in my yearbook
8 words was all you wrote
And you didn't sign your name
Just your initials and your quote
