Diesel Machine, The Punishment

what's wrong with you? protecting criminals from death you take another life you deserve to die like all the rest

revenge is lost on death row they laugh at us the sentence means nothing violence goes unpunished again

justice will be done, I'll see to it you will die, make no mistake of it

the punishment fits the crime

the solution is right in front of your face any method works electrocute, hang, or inject

justice will be done, I'll see to it you will die, make no mistake of it

the punishment fits the crime
