

Digga, Broken

Verse 1

Yours was the perfect love, I swear it was.
Until I had your love, my world was cold.
I did what most men do and I messed it up.
But when I got you back, my world was whole.
(The Player thing I let it go, thought our life was set in stone)
But it wasn't, and I'm here alone.
(Nothing is in front of me, I feel I can't even breathe)
Don't think that I can handle this baby I'm soo

Chorus

I'm so in agony, look at the state of me.
Left here, broken.
You said you'd never leave, look what you've done to me.
Left here, broken.

Verse 2

Where do I go from here, I'm so lost.
Do you know how hard it is? Finding my way through this.
It shouldn't even be like this.
I shouldn't have to feel like this, Noo Noooo Noo
(Can't even have company, nobody can talk to me)
I'm messed up, all that I find myself doing,
Broken (Looking at my gallery, drinking and smoking weed)
I hate you for doing this to me girl I'm so.

Chorus

I'm so in agony, look at the state of me.
Left here, broken.
You said you'd never leave, look what you've done to me.
Left here, broken.

Chorus

I'm so in agony, look at the state of me.
Left here, broken.
You said you'd never leave, look what you've done to me.
Left here, broken.

(Broken x3)

I never thought I'd feel this low down in my life.

Songtext I swear I'm

(Broken x3)
