

# Dilba, Could It Be

how can I go home  
with nothing to say  
I know you're going to look at me that way  
and say what did you do out there  
and what did you decide  
you said you needed time  
and you had time  
you are a china shop  
and I am a bull  
you are really good food  
and I am full  
I guess everything is timing  
I guess everything's been said  
so I am coming home with an empty head  
you'll say did they love you or what  
I'll say they love what I do  
the only one who really loves me is you  
and you'll say girl did you kick some butt  
and I'll say I don't really remember  
but my fingers are sore  
and my voice is too  
you'll say it's really good to see you  
you'll say I missed you horribly  
you'll say let me carry that  
give that to me  
and you will take the heavy stuff  
and you will drive the car  
and I'll look out the window making jokes  
about the way things are  
how can I go home  
with nothing to say  
I know you're going to look at me that way  
and say what did you do out there  
and what did you decide  
you said you needed time  
and you had time
