

# Dima Koldun, Work your magic

Welcome to the night and you will see  
You've got the magic power  
I am on my way I keep the key  
To your tower  
You can serve me something really hot  
Call it love or madness  
But you'll get the best of what I've got  
Work your magic  
I never wanna lose this feeling  
I am able and I'm willing  
Yes, I'm willing  
Work your magic  
You set my beating heart in motion  
When you cast your loving potion  
Your loving potion  
(Over me)  
Baby you can put your spell on me  
Making it slow and steady  
Maybe I can solve your mystery  
Are you ready  
We are standing closely skin to skin  
Playin' a very old game  
But the game called love you always win  
So you work your magic  
Baby work your magic  
Keep my heart forever bound
