

# Dina Carroll, Someone Like You

I've been searching a long time  
For someone exactly like you  
I've been travelling all around the world  
Waiting for you to come through

Someone like you  
You make it all worthwhile  
Someone like you  
Keeps me satisfied  
Someone exactly like.. you

I've travelin a hard road  
Lookin for someone exactly like you  
I've been carrying my heavy load  
Waiting for the light to come shining through

Chorus

I been doing some soul searching...ummm  
To find out where your at  
I've been up and down the highway  
In all kinds of foreign lands

But someone like you  
You make it all worthwhile  
Someone like you  
Keep me satisfied

Just like you babe

I have been all around the world  
Marching to the beat of a different drum  
But just lately I've realised  
Baby the best is yet to come

Someone like you  
You make it all worthwhile  
Someone like you  
Keep me satisfied

Someone like you  
Make it all worthwhile  
Someone like you  
Keep me satisfied (Just like you)

Someone exactly like you
