

Dina Carroll, You'll Never Know

You'll never know
All the pain
That I was feeling
You'll never see
All the tears
That I've cried
My heart was bleeding

I need a reason
You never told me to my face
An explanation
As to why you never, never, never, never

Gimme you love, gimme your love, gimme your love
Tell me 'cos I need the truth
What is it I've done
You never gimme your love, gimme your love, gimme your love
You will never know what you have done to me

You never told me
That you would be leaving
I realised half the time
It was me you were deceiving

What were the reasons
Why you never said goodbye
Just implications
As to why you never, never, never, never

Gimme you love, gimme your love, gimme your love
Tell me 'cos I need the truth
What is it I've done
You never gimme your love, gimme your love, gimme your love
You will never know what you have done to me

What were the reasons
Why you never said goodbye
Just implications
As to why you never, never, never, never

Gimme you love, gimme your love, gimme your love
Tell me 'cos I need the truth
What is it I've done
You never gimme your love, gimme your love, gimme your love
You will never know what you have done to me
