

# Dinosaur Jr., Almost Ready

I've been asking 'round if you were there  
Asking, but I'm always scared  
Asking 'cause I want to care again  
Come on life  
I'm almost ready  
Not right  
I'm almost ready

I've been wondering if the message sent  
Wondering if I made a dent  
Wondering what it is you meant again  
Come on life  
I'm almost ready  
Not right  
I'm almost ready

Can you see me there?  
'cause I'm not sure  
See me, 'cause I lost my nerve  
See me there, 'cause I feel worse again  
Come on life  
I'm almost ready  
Not right  
I'm almost ready

Let me find the truth I will attack  
Find the truth, I won't go back  
Find the truth, I'm way off track again

Come on life  
I'm almost ready  
Not right  
I'm almost ready  
Come on life  
I'm almost ready  
Not right  
I'm almost ready  
I'm almost ready  
I'm almost ready
