

Dinosaur Jr., Been There All The Time

Can I fix it and still care?
Can I run and you'll be there?
Wishin' I could run and hide
Jugglin' messages inside
Stallin' trying to buy more time
Can I be a part of you?
How to get there what to do?
Can I get there from inside?
With all the ways I could have tried
Can I be there all the time?

Is it all me?

Can I feel another way?
Can I bring it out to stay?
Can you capture what I've done?
Play it back so I don't run?
And now I'm walkin' on your sun

Is it all me?

Let's not lie
Take me ???
With a smile
Been there all the time
