

Dinosaur Jr., Kracked (Live)

Come on, babe.
Come on, set me free.
I've paid for my crime.
Come on, babe.
Come on, rescue me,
Just this last time.

I plead the case,
I need to space.
Don't let it wait.
I plead the case,
I need to space.
Don't let it wait.

Come on, babe.
Come on, set me free.
I've paid for my crime.
Come on, babe.
Come on, rescue me,
Just this last time.
