

# Dinosaur Jr., No Bones

Hey babe, thought maybe  
Can't feel, not today  
Wish it didn't faze me  
Can't handle either way

With life surrounded  
Entombed in war  
Don't lie to her, no bones, no bones  
The vast expanses  
can't be too grand  
To go together outside

Hey babe, can't do it  
Can't put you there again  
Can't feel, can't go through it  
If there only was a way

[Solo] (If there only was a way.)

With life surrounded  
Entombed in war  
Don't lie to her, no bones, no bones  
The vast expanses  
can't be too grand  
Or I'll send them back
