## Dinosaur Jr., Not You Again

I thought of the Blob today I thought of you I thought of the mess I made again How do I do it

Now when it leaves your hand Just understand That I'm the one it missed Right through a piece I've been keepin' away You really can't resist

I thought of the Blob today I thought of you I thought of the mess I made again How do I do it

I got no advice about anything Just fuck it up yourself Is she the kind of girl That's worth getting In such a sticky mess If I say a word just stop me Cause I really should shut up Guess I'll split now Just forget you met me Forget I brought it up

I thought of the Blob today I thought of you I thought of the mess I made again How do I do it

Hey girl, now walk me home
No, drive me home
Now pick me up again
Waiting for things to change
I'll rearrange stuff
No, not you again
If I say a word just stop me
Cause I really should shut up
Guess I'll split now
Just forget you met me
Sorry I fucked it all up again
