

Dinosaur Jr., Raisans

The lights exploded, she stood burning in front of me.
She ripped my heart out and gave it to me.
My eyes wouldn't open, cemented to her face.
Have I begun a feeble chase?

I'll be down, I'll be around,
I'll be hanging where eventually you'll have to be.
I'll just stare and hope you'll care,
It's only everything standing in front of me.

I know what you did to me, I know what you did was wrong.
You're allowed to torture me, wait a moment until I'm gone.
I know you're the ticket, you gotta be 'cause I let you be alone for long.
Got to be so completely, got to be so I can't hang on.

I'll be down, I'll be around,
I'll be hanging where eventually you'll have to be.
I'll just stare and hope you'll care,
It's only everything standing in front of me.

I'll be down, I'll be around,
I'll be hanging where eventually you'll have to be.
They're not there, you're standing there.
Now you'll have to decide the fate of my sanity.
