

# Dinosaur Jr., The Leper

Embarrassed to be alive,  
Sit with my life open wide.  
Your stare is forcing my face open.  
A leper crumbling, never joking.  
Who should I believe?

Safest to wallow in my own esteem.  
Afraid, stick my neck out,  
Knowing the day has drawn.

I'm a leper.  
Scared beyond this feeling, I dare to escape.  
A leper.  
Doomed to this, my life is chosen to rape.

Embarrassed to be alive,  
Sit with my life open wide.  
Your stare is forcing my face open.  
A leper crumbling, never joking.

I'm a leper.  
Scared beyond this feeling, I dare to escape.  
A leper.  
Doomed to this, my life is chosen to rape.

I'm a leper, leper, leper.
